MAKE IT RIGHT WITH EINHEIT.

Einheit Consulting

Community Impact Initiative Application

Up to 10 hours of pro bono consulting support for one selected nonprofit or community-based organization.

Before you apply

This initiative supports organizations addressing one or more Social Determinants of Health. Examples include food access, housing stability, transportation, education, economic stability, workforce support, community safety, social connection, and access to healthcare. The proposed project should focus on a specific operational or reporting challenge that can reasonably be addressed within 10 consulting hours.

Einheit Consulting

Community Impact Initiative Application

Up to 10 hours of pro bono consulting support for one selected nonprofit or community-based organization.

Need and Outcome	
1. Tell us briefly about your organization and the community you serve. Include the primary programs or services you provide and who they are designed to support.	
2. Which Social Determinants of Health does your organization address? Examples include food access, housing stability, transportation, education, economic stability, workforce support, community safety, social connection, and access to healthcare.	
3. What specific operational or reporting challenge would you like Einheit Consulting to help address? Describe the issue as clearly and specifically as possible.	
4. Why is this challenge important to your organization and the people you serve? Describe the impact on your programs, staff, reporting, coordination, or service delivery.	
5. What would a useful outcome from this 10-hour consulting engagement look like? Examples may include a clearer workflow, defined roles, a reporting process, an SOP, a tracker, a template, or another practical tool.	

Community Impact Initiative Application

Up to 10 hours of pro bono consulting support for one selected nonprofit or community-based organization.

Project Readiness	
6. What information or materials can you provide to support the engagement? Examples may include workflows, reports, trackers, SOPs, grant or funder requirements, organizational charts, program documentation, or other relevant materials.	
7. Who will participate in the engagement, and does your organization have the capacity to participate actively and implement recommendations? Identify the primary staff contact, other staff or departments that may need to participate, and any important deadlines or timing consideration	

How to Submit Your Application

1. Save your completed application before submitting it.
2. Click the button below to open an email to Einheit Consulting.
3. Attach the saved PDF and send it to einheit@einheitconsulting.com.

Applications will be reviewed for eligibility and fit. Organizations that meet the initial criteria will be contacted with an invitation to schedule a brief introductory call.
